

## Selected Presentations, CPD and Training Sessions

Updated 2022-05-07

Date	Location	Topics	# Rec./ Pub.	# Pract/ Res.	Presenter(s) Jamieson +
03-May-22	Penticton, BC	Tension in snow slabs?	100 in person + 50 virtual		S. Thumlert, G. Statham
28-Apr-22	webinar for AGHP	Snow avalanche dynamics and impact		11	D. Gauthier
28-Mar-22	webinar for Queens geohazards students	Snow avalanche dynamics, impact and mitigation		15	D. Gauthier
09-Mar-22	webinar for CAIC forecasters	Solar warming and avalanching		23	
13-Nov-21	Bend SAW (virtual)	Communicating avalanche likelihood	250?		
15-Oct-21	Colorado Snow Avalanche Workshop	Common ski cutting practices	~450		
02-May-21	Webinar for CAA, etc	Common ski cutting practices		~300	
25-Feb-21	webinar for MWHS guides	Facets on crusts: theory and a case study		20	
04-Feb-21	webinar for EGBC	Differences between snow avalanches and other slope hazards		135	D. Gauthier
28-Jan-21	webinar for MWHS guides	How risky is ski cutting?		19	
28-Nov-20	webinar for Eagle Pass heliskiing guides	Risk of ski cutting; Near crust faceting; Deep slab avalanches		14	
26-Nov-20	webinar for BC MoTI av technicians	7 topics		18	
2020-11-18	Webinar for Kananaskis public safety staff	Climate change, Managing uncertainty. Facets on crust, Solar induced avalanches		10	
2020-11-13	Webinar for CAA members	Tips for snow profiles & snowpack instability tests		155	
2020-11-09	Webinar for Parks Canada (BYK)	Climate change. Managing uncertainty. Facets on crust.		8	
2020-11-07	Av workshop, Pyrenees	Visually rating avalanche size	120		
2020-10-06	Virtual Snow Science Workshop	Communicating Avalanche Likelihood	100	300	S. Thumlert
2020-09-14	GeoVirtual (Landslides session)	How differences between snow avalanches and other slope hazards affect mapping and mitigation		78	
2020-05-11	virtual CAA conference presentation	How many levels should a rating have?	340		
2019-11-10	Fernie, BC	How risky is ski cutting?	250	100	
2019-10-19	Calgary, AB	How do you stress the snowpack? Caught in an avalanche – Then what are the odds?	35	0	
2019-05-10	Penticton, BC	Ski cutting in practice - risk survey	10	100	
2019-04-04	Siglufjordur, Iceland	Runout estimation for extreme snow avalanches		120	
2019-03-14	Webinar for DEGIRS	Assessing and mitigating snow avalanche risk		40	D. Gauthier
2019-03-13	University of Calgary	Snow avalanche characterization, mapping, mitigation		20	

<b>Date</b>	<b>Location</b>	<b>Topics</b>	<b># Rec./ Pub.</b>	<b># Pract/ Res.</b>	<b>Presenter(s) Jamieson +</b>
Feb 26-28	Pemberton	Field: snowpack tests. Indoor: 7 topics		9	
2019-01-24	Webinar for AGHP	Assessing and mitigating snow avalanche risk		25	C. Wilbur
2018-12-07	University of Calgary	Assessing and mitigating snow avalanche risk	60		
2018-11-23	Revelstoke	Snowpack test techniques		23	
2018-11-15	Calgary	Assessing and mitigating snow avalanche risk		24	
2018-10-12	Innsbruck	Co-chair of education session at ISSW		800	
2018-10-12	Innsbruck	Poster: Thermal imagery for avalanche education		50	
2018-10-08	Innsbruck	A manual for assessing, mapping and mitigating snow avalanche risk		400	
2018-06-04	Canmore	A manual for assessing, mapping and mitigating snow avalanche risk		180	
2018-05-04	Penticton, BC	IR measurements and images for avalanche education	10	40	
2018-05-03	Penticton, BC	Highlights of the Planning Methods book	10	30	
2018-05-02	Penticton, BC	A manual for assessing, mapping and mitigating snow avalanche risk	15	160	
2018-04-30	Penticton, BC	Highlights of the Planning Methods book	50	125	
2018-03-28	Kingston, ON	A manual for assessing, mapping and mitigating snow avalanche risk		30
