

Selected Presentations, CPD and Training Sessions

Updated 2019-11-11

Date	Location	Topics	# Rec./ Pub.	# Pract/ Res.	Presenter(s)
2019-11-10	Fernie, BC	How risky is ski cutting?	250	100	Jamieson
2019-10-19	Calgary, AB	How do you stress the snowpack? Caught in an avalanche – Then what are the odds?	35	0	Jamieson
2019-05-10	Penticton, BC	Ski cutting in practice - risk survey	10	100	"
2009-04-04	Siglufjordur, Iceland	Runout estimation for extreme snow avalanches		120	"
2019-03-14	Webinar for DEGIRS	Assessing and mitigating snow avalanche risk		40	Jamieson, Gauthier
2019-03-13	University of Calgary	Snow avalanche characterization, mapping, mitigation		20	Jamieson
Feb 26-28	Pemberton	Field: snowpack tests. Indoor: Managing uncertainty in avalanche operations; Decision-support for deep-slab avalanches; Stress in column tests and human triggering; Feedback loops for low-probability high-consequence scenarios; Solar induced avalanching; Near crust faceting; Decision aids.		9	"
2019-01-24	Webinar for AGHP	Assessing and mitigating snow avalanche risk		25	Jamieson, Wilbur
2018-12-07	University of Calgary	Assessing and mitigating snow avalanche risk	60		Jamieson
2018-11-23	Revelstoke	Snowpack test techniques		23	"
2018-11-15	Calgary	Assessing and mitigating snow avalanche risk		24	"
2018-10-12	Innsbruck	Co-chair of education session at ISSW		800	"
2018-10-12	Innsbruck	Poster: Thermal imagery for avalanche education		50	"
2018-10-08	Innsbruck	A manual for assessing, mapping and mitigating snow avalanche risk		400	"
2018-06-04	Canmore	A manual for assessing, mapping and mitigating snow avalanche risk		180	"
2018-05-04	Penticton, BC	IR measurements and images for avalanche education	10	40	"
2018-05-03	Penticton, BC	Highlights of the Planning Methods book	10	30	"
2018-05-02	Penticton, BC	A manual for assessing, mapping and mitigating snow avalanche risk	15	160	"
2018-04-30	Penticton, BC	Highlights of the Planning Methods book	50	125	"
2018-03-28	Kingston, ON	A manual for assessing, mapping and mitigating snow avalanche risk		30	"
2017-12-14	Nelson, BC	various topics, indoors and outdoors		15	"
Dec 16-18, 2017	Nelson, BC	various topics, indoors and outdoors		15	"
2017-11-30	Mt Washington	Measuring snow surface temperature		30	"
Nov 22-23, 2017	webinar	Measuring snow surface temperature		35	"
2017-10-02	Ottawa	Climate trends in avalanching affecting transportation corridors		50	"
May 1, 4	Penticton	Measuring snow surface temperature		110	"
2017-05-03	Penticton	1. Risk perception. 2. Heuristics	10	110	"
Mar 14, 16, 21	U. Calgary	1. Av hazards. 2. Av. hazard mapping. 3. Av. risk analysis for backcountry workers and recreationists		~30	"

Date	Location	Topics	# Rec./ Pub.	# Pract/ Res.	Presenter(s)
2017-02-27	Queens U, Kingston	1. Two avalanche accidents that changed land-use planning in Canada. 2. Avalanche hazard mapping		11	"
Feb 15, 16	MoTI CPD in Stewart, BC	1. Snowpack tests (indoor and in field). 2. Uncertainty in risk based decisions. 3. Decision-support for deep slab avalanches. 4. Climate trends and avalanching in BC. 5. Natural avalanche release. 6. Stress under skiers and sleds and in small column tests. 6. Profile tips (field)		12	"
Dec 2016	5 backcountry and 2 lift-based ski ops in Kootenays	various indoor and outdoor topics		150	"
Nov-16	Two heli-ski ops in N. Columbia Mtns.	various indoor topics		150	"
2016-11-05	North Rockies Snow and Avalanche Workshop, Whitefish, MT	1. Field observations and snowpack tests – Which is best when? 2. How does isolating a small-column snowpack test compare to sled or skier stress	~125	~75	"
2016-10-06	ISSW, Breckenridge CO	Measuring snow surface temperature: Why, why not, and how?	~700	~200	"
2016-10-01	Colorado Snow and Avalanche Workshop, Breckenridge CO	Applying research to avalanche mitigation: Challenges and future directions	~200	~250	"
2016-06-16	International Conference on Snow Engineering, Nantes, France	Effect of reporting rate on vulnerability with an example for snow avalanche risk to backcountry recreationists in Canada		~100	"
2016-05-06	CAA Spring Conference, Penticton, BC	Measuring snow surface temperature: Why, why not, and how?		~120	"
2016-05-04	CAA CPD, Penticton, BC	Uncertainty and assessment/decision aids	~50	~150	"
2016-04-16	Researchers ski week, Blue River, BC	Deep slab decision support		20	"
2016-01-5 to 6	MoTI CPD, Kootenay Pass	1. Snowpack tests. 2. Uncertainty in risk based decisions. 3. Decision-support for deep slab avalanches. 4. The avalanche size classification 5. Workplace risks to avalanche professionals 6 Warming of dry snow, instability and decisions. 7. Climate trends and avalanching in BC		12	"
2015-11-07	Eastern Snow Avalanche Workshop, New Hampshire	1. Daytime warming of dry snow: Instability and making decisions. 2. Which snowpack test is best when?	~100	50	"
2015-09-21	GeoQuebec, Quebec	Uncertainty in snow avalanche risk assessments		~300	"
